

Q3 review

Clinical trial applications — what shipped, what is next.

14 applications submitted	100% on or before the target date	2 queries received
---	---	--

By region

REGION	SUBMITTED	APPROVED	OPEN
EU (CTR)	6	5	1
United States	4	4	0
United Kingdom	2	2	0
Canada	2	1	1

Next quarter

- Two substantial amendments already scheduled for October.
- Japan added to the footprint, first application in November.
- Query turnaround target moves from 10 days to 5.
